Features and Benefits

Ultra-soft premium New Zealand wool.

Made with pure New Zealand wool — considered the world's finest for carpets — Garden has a remarkably soft finish, adding an unmistakable sense of luxury to any interior.

Uniquely double-spun and lightly-felted.

Garden's wool fibres are processed using an innovative technique developed, and exclusively applied, by ec.group. Rather than standard twisting, the fibres are double-spun and locked together by light felting. This increases strength, creates subtle variations in thickness for a natural texture, and produces Garden's incredible softness.

Retains incredible durability.

Complementing its luxurious feel, Garden's long-fibre, heavy-weight 45oz pile achieves a rating of extra heavy duty for domestic applications, and will cope with years of heavy traffic.

Highly versatile design.

Garden's linear 'ribbed' appearance makes joining easy and provides a non-geometric pattern to enhance almost any interior theme. It can also be used to make a beautiful rug to complement hard flooring.

Exquisitely heathered palette.

Garden's selection of 16 characterful heathered colours — 8 timeless neutrals and 8 hard-to-find highlights — have been carefully designed by colour experts to meet the needs and tastes of interior designers, architects and sophisticated homeowners.

Specifications

Description	Level Tufted Loop Pile
Pile Content	100% Double Spun, Lightly Felted Pure New Zealand Wool
Gauge	3/16"
Total Pile Weight	1530g/m ² (45oz/yd ²)
Pile Height	8.0mm ± 1mm

Variation	Specifications subject to ± 5% variation
Dye Batch Variation	Colour variation may occur from batch to batch
Guarantees <small>*conditions apply</small>	7 year commercial* 15 year residential*
Pattern Repeat	Not applicable
Environmental	Quality Assured to ISO 9001 & Environmental Management System 14001.

Garden complies with Australian standards on low volatile organic compounds and air emissions.

Solid shade carpets may exhibit colour streaking. **Chair mats** are recommended under castor chairs to preserve appearance and avoid premature wear. Due to the unique manufacturing process, **natural variations** in the thickness of the yarn may appear as lines along the surface of the carpet. While due care has been taken in the manufacturing process of this carpet, **soiling may show more readily** due to the lightness or brightness of the colours. Additional maintenance may be required. Consult a cleaning professional for advice. **Seam sealer** is a mandatory requirement on all carpet seams.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
