# SOLUTION DYED NYLON CARPET

## Features and Benefits

### Track Resistant Carpet

No unsightly shading marks left behind by footprints and everyday use.

Marble Villa combines the practical benefits of nylon with the aesthetic qualities of a natural fibre to create a luxurious carpet that is not only beautiful but outstandingly practical.

Designed with a palette of neutral, organic colours, the de-lustred, natural appearance presents itself with versatility in creating a flexible foundation for a wide range of modern interior themes.

The rich texture and chicly heathered colours not only look beautiful but are also practical at concealing dirt and soiling.
