Features and Benefits

A natural touch of luxury.

Combining refined, yet rustic style with a luxuriously soft underfoot feel, Nightingale adds warmth, comfort and understated elegance to any home or living space.

Premium pure wool.

Nightingale is made with a blend of pure premium wools, sourced from the world's finest wool farming districts.

Distinctive organic texture.

Nightingale's uncompromising natural finish combines a subtle twist-pile effect and gentle two-tone colouring, in a delightfully simple organic texture.

Impeccable craftsmanship.

Nightingale maintains its even appearance without unsightly tracking or watermarking effects.

Versatile, earthy palette.

Nightingale's carefully constructed blend of contemporary soft greys and rich neutrals complements a wide range of modern interior furnishings.

Farm-grown, not factory-made.

Being a natural fibre, wool is one of the most environmentally sustainable carpet choices you can make. Once shorn, sheep regrow their wool in less than a year. Plus, when the carpet eventually reaches the end of its life, the yarn is 100% biodegradable.

Australian quality.

Designed and manufactured in Australia, Nightingale is tested to be low in volatile organic compounds (VOC).

Specifications

Description	Textured Tufted Loop Pile
Pile Content	100% Pure New Wool
Gauge	3/16"
Total Pile Weight	1360/m ² (40oz/yd ²)
Pile Height	High 8.0mm ± 1mm Low 5.0mm ± 1mm
Width	366cm
Primary Backing	Woven polypropylene
Secondary Backing	Blue Stripe Synthetic Backing
Fire Rating (Conv. Install)	CHF Mean Result 7.8kw/m ² Smoke Value 37% min
Traffic Class	Extra Heavy Duty 2 Residential (6*)
ACCS Classification	Heavy Duty Contract (3*)
Variation	Specifications subject to ± 5% variation
Dye Batch Variation	Colour variation may occur from batch to batch
Guarantees <small>*conditions apply</small>	15 year residential* 7 year commercial* 10 year insect deterrent*
Pattern Repeat <small>Pattern match cannot be guaranteed</small>	Length 12mm Width 10mm
Environmental	Quality Assured to ISO 9001 & Environmental Management System 14001.

Nightingale complies with Australian standards on low volatile organic compounds and air emissions.

Solid shade carpets may exhibit colour streaking. **Chair mats** are recommended under castor chairs to preserve appearance and avoid premature wear. **Maintenance** The use of a quality vacuum cleaner with turbo or power head adjusted according to the pile height is strongly recommended. **Insect Treatment** All natural fibres are protected with an insect resistant treatment to prevent damage caused by insects. The protection lifespan of this treatment cannot be guaranteed. **Seam sealer** is a mandatory requirement on all carpet seams.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
