

Features and Benefits

A touch of wool-like class.

Bouclé provides an outstanding combination of high-specification quality and affordability, with a rich texture and subtle heather that strongly, and beautifully, resembles wool.

Durability meets opulence.

Although providing a welcome sense of luxury in bedrooms and living areas, Bouclé remains extremely durable to abrasion and flattening. Rated extra heavy duty for residential and medium contract applications, it will perform well in highly active spaces, such as hotel accommodations and apartment living.

Stylish simplicity.

The popular texture of Bouclé combined with a beautiful colour palette provides a soft and flexible foundation for a wide range of modern interior design themes and furnishings.

Colourfast and made to last.

Designed to retain its aesthetic appeal for years, the colourfastness of Bouclé ensures the colours will not fade from sunlight, harsh cleaning products and general wear.

Easy to maintain.

The heathered colours of Bouclé do an outstanding job of hiding soiling, but when cleaning is required it couldn't be easier. The carpet strongly resists staining, moisture, mould and insect damage.
